Description

The Eco Pro Seascape, which began operations in 2024, sets new standards for liveaboards in the Maldives. Built in 2023, with a length of 41 meters and a width of 10.7 meters, the Seascape can accommodate up to 28 guests and is designed for both divers and water sports enthusiasts. It combines modern comfort with eco-friendly features and offers diverse itineraries to colorful reefs and tranquil marine landscapes, turning your diving trip into an unforgettable adventure thanks to its varied routes, wide range of water sports, and well-deserved relaxation.

Inclusions

The following services are included in the tour price per person:

- Accommodation in a half-double cabin on the lower deck with shower and toilet
- Meals: Full board, coffee (Nescafé), water from a water dispenser, tea, and snacks
- Check-in at 12:00 p.m. on the day of arrival
- Check-out on the day of departure at 7:00 a.m., latest check-out at 9:00 a.m. (Additional transfer costs 15 USD per person)
- Diving: up to three dives per day, 1–2 night dives (weather permitting), two dives on the last day, tank, weights, guide
 - 16–17 dives for 7 nights, 24–26 dives for 10 nights, and 30+ dives for 14 nights
- Group transfer
 - from/to the nearest airport on the day of arrival/departure (the earliest airport pickup is at 12:00 PM)
 - ATTENTION! For special itineraries with a departure port other than Malé, guests will be met at the respective departure airport and not in Malé. We ask that you make your own way to the domestic airport and check in there for your connecting flight.
- Diving Dhoni
- Barbecue on an uninhabited island (weather permitting)
- Visit to local islands

The following services per person are not included in the tour price:

- Upper deck cabin surcharge (no single occupancy)
- Single cabin surcharge: 50% (subject to availability and season)
- Green tax: 12 USD per night
- Fuel surcharge: 105 USD per week / 150 USD for 10 nights / 165 USD for 11 nights / 210 USD for 14 nights
- Domestic flights, if needed (upon request)
- Tiger shark dive: 30 USD (conducted by a local dive center)
- Hanifaru Bay fee: 25 USD (only for the Northern Route, including Hanifaru)
- Tiger Zoo Dive fee: 30 USD (only for certain Deep South itineraries)
- Nitrox: 15 USD per day / 90 USD per week; 15 USD for each additional day
 - If the nitrox system is unavailable for technical reasons, there is no entitlement to a

refund

- Nitrox, including a 15-liter tank: 30 USD per day / 190 USD per week, plus 25 USD for each additional day
- 15-liter tanks must be pre-ordered and cost a 110 USD per week surcharge, plus 8 USD for each additional day
- Additional Dives
- PADI courses are available for a fee and by advance registration
- Rental equipment (please reserve in advance)
 - Rental equipment, special tank requests, and onboard purchases paid for on-site are subject to a 10% service fee.
- Alcohol, soft drinks, and Lavazza coffee
- Tips/service charge for crew and guides (7 nights: 105 USD / 10 nights: 150 USD / 11 nights: 165 USD / 14 nights: 210 USD)
- Flight to/from Male
- Onboard payments can be made in cash using U.S. dollars, euros, and Maldivian rufiyaa (all onboard prices are in U.S. dollars); a 4% fee applies to credit card payments
- **All services and payments on board are subject to a 10% service charge, including taxes**

NUMBER OF GUESTS	max. 28

More information

Cabins:

The lower deck features four cabins with convertible double or single beds, as well as two cabins with a double bed. The main deck has two cabins with a double bed. The four double cabins on the upper deck, like the cabins on the lower deck, are each equipped with adjustable double or single beds. All cabins are

modern and comfortably furnished, equipped with individually controlled air conditioning, and each has its own bathroom with a shower, sink, mirror, and towels. We provide eco-friendly shampoo and shower gel.

Meals:

Meals are served three times a day in the spacious and cozy salon; the cuisine is varied and delicious. Both local and international dishes are served buffet-style. Water, tea, and coffee are complimentary. Soft drinks, fresh juices, and alcoholic beverages (cocktails, liqueurs, wine, and beer) are available for an additional fee. If you have special dietary needs, such as vegetarian preferences or allergies, please let us know before your arrival so that the crew can prepare accordingly and ensure you are well taken care of.

Main Deck:

The main deck features an air-conditioned lounge and a stylish restaurant with a bright, modern interior. The lounge, with its cozy bar, is the perfect spot to enjoy a cocktail.

Upper Deck:

The sun deck, with areas in both the sun and shade, offers plenty of space to relax on comfortable lounge chairs.

Diving:

Dives depart from the spacious dhoni, where the equipment remains throughout the tour and where the tanks are refilled after each dive.

The maximum depth for diving in the Maldives is 30 meters. Your maximum dive depth depends on your training level and experience. Dives are led by excellent and highly experienced Maldivian guides who can accommodate almost any request. Decompression diving, solo diving, and technical diving are strictly prohibited.

We recommend that you bring the following:

mask, snorkel, fins, boots, wetsuit, regulator, BCD, SMB (with a minimum length of 5 meters during the safety stop), and a dive computer with spare batteries and a flashlight for night dives. The average water temperature is 29°C. We recommend a 3mm shorty or wetsuit. Rental equipment is available in limited quantities. Rental equipment must be requested before the trip. We need information about your wetsuit size, weight, height, and shoe size so we can prepare the right-sized equipment for you.

All divers must use a dive computer and an SMB, and must carry a reef hook on every dive and a flashlight on night dives. Please bring your own equipment or ask us what's available on board. The use of gloves is not permitted.

Tanks & Adapters:

We have 12-liter DIN tanks and INT adapters on board.

Electricity:

The boats have 110/120V AC and 220/240V, 3-pin UK outlets. We assume no liability for any damage caused by alternating current.

Insurance:

We require all divers to have valid insurance that covers diving accidents. You must bring proof of this insurance and present it at check-in. We assume no liability and will not cover costs such as hyperbaric chamber treatment or transportation expenses.

Important Information!!!

Due to a change in DAN Europe's insurance terms and conditions, we are required to request a medical clearance certificate for all divers who are 75 years of age or older. The medical clearance certificate must confirm your fitness for diving as well as your general state of health. This certificate must be sent directly to Eco Pro Divers for DAN's approval of diving activities so that we can clarify the insurance criteria for our customers in advance. Please don't forget to specify the boat and the trip date! No diving activities may take place until the criteria for the respective customer have been clarified and approved by DAN. Please send the medical clearance form to info@ecoprodivers.com so that we can request approval from DAN for participation in diving activities prior to your arrival.

Passport and Visa:

Every guest must have a passport that is valid for at least another 6 months from the date of arrival. A 30-day visa is issued free of charge to all nationalities at the immigration counter at Male Airport. All guests must be in possession of a return or onward flight ticket. The electronic entry declaration must be completed at <https://imuga.immigration.gov.mv/> 72 hours prior to arrival. Take a photo of the QR code and present it upon request.

10% discount for non-divers
