DIVE SITES

Liveaboard to Daedalus Reef. The hammerhead sharks at Daedalus and, to the south, the beautiful hard coral gardens teeming with schools of fish, reefs with cave passages, and unique plays of light—all combining to create a wonderful mix of drop-offs and coral gardens. The route and selection of dive sites depend on the safari's starting and ending ports.

Description

Liveaboard to Daedalus Reef. The hammerhead sharks at **Daedalus** and, to the south, the beautiful hard coral gardens teeming with schools of fish, reefs with cave passages, and unique plays of light—all combining to create a wonderful mix of drop-offs and coral gardens. The route and selection of dive sites depend on the safari’s starting and ending ports.

Under Egyptian law, night dives are not permitted at the Marine Park reefs, and a minimum of 50 logged dives is required.

Here you’ll find dive sites along this route. Which sites are actually visited depends on the port from which your safari departs and on current weather conditions.
